30510 State Hwy P
Canton, MO

Investment opportunity here – this 349.5 acre tract boasts 292.96 acres currently in production, with two pivots in place and one being new in 2025. Both are automated, set up for fertigation, and able to be controlled off-site. Two wells serve these pivots, and third well supplies water for the subirrigation, and a fourth well ...
